A Crisis Racking Our Continent

Millions throughout North America are **struggling with their mental health**. In fact, over 20% of Americans and Canadians experience mental illness in any given year. What's causing this **epidemic**—and more importantly, what can be done to help **fight it**?

Join Pastor Alex Rodriguez for *MindFit* as he seeks to shed light on our current mental health crisis. The problems run deep . . . but there is **REAL hope**, for both those who are struggling and those who love them.

Opening Session

Beyond the Asylum

The creepy asylum haunts our imagination, casting a long shadow over mental illness and those who suffer from it. So what happens if we **turn on the lights**?

ANNOUNCEMENTS

Please be aware that scammers often target churches and their members. Member information often ends up in the hands of people who want to do harm. "Bad actors," as they're called in the industry, work feverishly to socially engineer scams if they think your church is vulnerable to falling for them. This is why we cannot link our directory to our website.

You can help prevent this by watching for emails, texts, or calls that might be fraudulent and by not trusting communications (even if they sound legitimate) that ask for money or gift cards. Please note that our pastors and church office will never ask for these items via email or text!!! The office may ask for personal information (date of birth, address updates, etc.) but will never ask for credit card information!

MONTHLY POTLUCK

Church potluck is the **second** Sabbath of the month.

Please bring your favorite dish to share!

Hello all,

This year, we are trying to see how much more fun potluck can be. The first month's theme is alphabet soup. I am trying to see if I can get a dish (including lots of soups, as it is January, after all) that can cover all 26 letters of the alphabet through our main dishes. I am excited to see if we can see some Z, Q, and X dishes. I made a spreadsheet to write some of those dishes' you are bringing. It is not a requirement to use it at all; it's just for fun for me to see what is coming. I AM SO EXCITED! Here's the link: <https://shorturl.at/qZo7e>. Thanks in advance.

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

Food Drive:

BVAS had a canned food drive bringing 710 items to our local Cloverdale/HUB Food Pantry before Thanksgiving. The grade 3/4 classroom was the winner with 200 items. For bringing the most items, they got to paint Principal Bobbitt's nails. Mr. Bobbitt was a great sport!
