MINISTRIES

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

Idaho Conference of Seventh-day Adventists 2025-2026 Open Teaching Positions

Salmon SDA Christian School

We have an opening for a teacher at our one-teacher school in Salmon, Idaho. We are looking for someone who loves to inspire young minds and has a mission to help students in their walk with Christ. Practical hands-on teaching and learning with creativity are important methods. An aide helps in the classroom. The school has a highly supportive board, church, and an endowment that helps support the school. The classroom is large, and the school has a gym attached to the building. Salmon is in the beautiful Lemhi River Valley of northeastern Idaho. It is an excellent place for those who love the outdoors for teaching and adventures. National forests are throughout the area, and the Salmon River runs through the town.

Eagle Adventist Christian School

This is for a 1-8 teaching position in Eagle, Idaho, in the Treasure Valley area. We are looking for an innovative teacher who loves to inspire students academically and spiritually to become the best they can be. The school is on the church's grounds and attached to the preschool and kindergarten classrooms. There is a large gym and playground. The area is excellent for white water rafting, mountains for skiing, backpacking, hiking, mountain biking, and other outdoor activities.

Desert View Adventist School

This school is located in the small city of Mountain Home, which hosts the Mountain Airforce Base. This is a one-teacher school with a very supportive church and board. It is in a growing phase and is looking for a teacher who inspires young minds, loves his/her students, and wants to help them grow in Christ and be prepared to succeed in life. Mountain Home is located in the desert area of Idaho and provides a wonderful place for students and teachers to experience the outdoors and engage in hands-on learning.

IDAHO CONFERENCE

Camper space at Camp Ida-Haven

Hello Pastors,

We still have some room for a few more campers this summer. Specifically, there are two weeks that have room for both boys and girls:

- Junior Camp: ages 9-11 (June 29-July 5)
- Teen Camp: ages 13-15 (July 27-Aug 2)

Other weeks may have a few spaces for boys.

Parents can sign their kids up by going to our website (www.idahaven.org) and creating an account. From there, they can make a reservation for their child. We are happy to answer questions. Email is our preferred method (office@idahaven.org) because we aren't always in the office to take phone calls.

Let us know if there is anything we can do to help!
