LIGHT

- * And God said, 'Let there be light' – Gen 1:3
- * Your Word is a lamp to my feet
and a light to my path – Psalms 119:105

Our church needs more light!

- * From the road, it looks like we're closed at night.
- * We struggle to see our way to our cars.
- * Lighting technology has improved,
but not our church's parking lot lights.

Our church needs more light!

- * Experts are helping us plan for improved lighting:
 - * On the front of the church facing the street
 - * On our entry roads and in parking lot
 - * And in the area around our church entrance

Our project estimate ; \$135,000

- * We already have over \$65,000 in pledges.
 - * Will you consider a stretch gift for better lights?
 - * *Alix and I are stretching to pledge \$5,000, -- would you consider matching all or part of our pledge today?*
 - * Every gift helps, large and small!

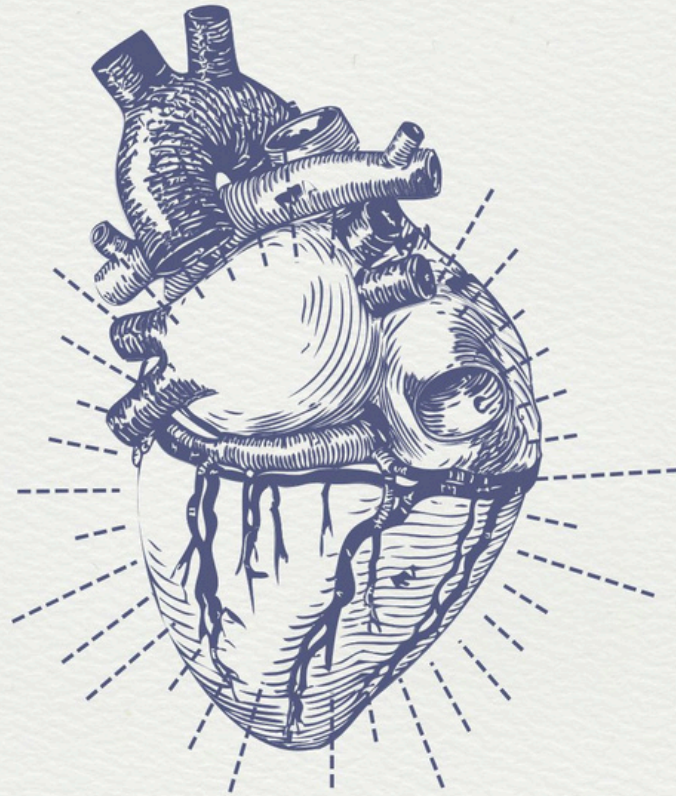

Your pledge will help put us over our goal. See the back side for your pledge. Thank you for pledging now. You'll SEE the results!

Thank you so much!

Dave *Thanks!*

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

Idaho Conference of Seventh-day Adventists 2025-2026 Open Teaching Positions

Salmon SDA Christian School

We have an opening for a teacher at our one-teacher school in Salmon, Idaho. We are looking for someone who loves to inspire young minds and has a mission to help students in their walk with Christ. Practical hands-on teaching and learning with creativity are important methods. An aide helps in the classroom. The school has a highly supportive board, church, and an endowment that helps support the school. The classroom is large, and the school has a gym attached to the building. Salmon is in the beautiful Lemhi River Valley of northeastern Idaho. It is an excellent place for those who love the outdoors for teaching and adventures. National forests are throughout the area, and the Salmon River runs through the town.

Eagle Adventist Christian School

This is for a 1-8 teaching position in Eagle, Idaho, in the Treasure Valley area. We are looking for an innovative teacher who loves to inspire students academically and spiritually to become the best they can be. The school is on the church's grounds and attached to the preschool and kindergarten classrooms. There is a large gym and playground. The area is excellent for white water rafting, mountains for skiing, backpacking, hiking, mountain biking, and other outdoor activities.

Desert View Adventist School

This school is located in the small city of Mountain Home, which hosts the Mountain Airforce Base. This is a one-teacher school with a very supportive church and board. It is in a growing phase and is looking for a teacher who inspires young minds, loves his/her students, and wants to help them grow in Christ and be prepared to succeed in life. Mountain Home is located in the desert area of Idaho and provides a wonderful place for students and teachers to experience the outdoors and engage in hands-on learning.

The Eagle Adventist Christian School is looking for a preschool teacher and director. Please contact Jodi Giem at 208-631-5885 or eacc12345@gmail.com if you have any questions or are interested in these positions.

Thank you!**

A member of our church is in need of a refrigerator, as theirs has stopped working. If any of our members have an extra refrigerator they would be willing to donate, they are prepared to arrange pickup.

If you can help, please contact Pastor Jason at 304-283-4446 or via email.

Thank you for your generosity!

Terry Estilow, (727) 484-2225, a female Bible student at the Meridian SDA Church, needs a room to rent beginning May 1. She is disabled (walks with a cane) and on a limited budget (\$400/500). She has a small dog.
