LIGHT

- * And God said, 'Let there be light' – Gen 1:3
- * Your Word is a lamp to my feet
and a light to my path – Psalms 119:105

Our church needs more light!

- * From the road, it looks like we're closed at night.
- * We struggle to see our way to our cars.
- * Lighting technology has improved,
but not our church's parking lot lights.

Our church needs more light!

- * Experts are helping us plan for improved lighting:
 - * On the front of the church facing the street
 - * On our entry roads and in parking lot
 - * And in the area around our church entrance

Our project estimate ; \$135,000

- * We already have over \$65,000 in pledges.
 - * Will you consider a stretch gift for better lights?
 - * *Alix and I are stretching to pledge \$5,000, -- would you consider matching all or part of our pledge today?*
 - * Every gift helps, large and small!

Your pledge will help put us over our goal. See the back side for your pledge. Thank you for pledging now. You'll SEE the results!

Thank you so much!

Dave *Thanks!*

MINISTRIES

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

HUB 365 EVENTS

Building community daily through service

There will be a variety of cooking classes and other events taking place at the HUB 365 throughout the year. While we advertise or announce these events, they are scheduled through the HUB365.

HUB 365 is an all-volunteer service organization. The proceeds from our sales will fund various programs for the community. Some of the programs we are working on are:

- No Cost Clinics (Dental cleanings/fillings, eye exams, medical screenings)
- No Cost Meal Programs
- Community Education classes (Financial, Parenting, Healthy Cooking, After-school tutoring)

If you have questions or need to RSVP, please contact LeeAnn Burfeindt or the HUB 365 directly.

Wrapped in Love 

We have completed two dozen knitted and crocheted blankets! Half were donated to a local nonprofit that serves children entering foster care. The others will be gifted to shut-ins.

We pray over each blanket before it leaves us, that it will be a blessing to the person who receives it.

We want to blanket the Treasure Valley with Jesus's love!

Come join us for fellowship and a shared mission.
If you want to learn, we will teach you!

- 1st and 3rd Mondays of each month, 10am – Noon at THE COMMONS at the Hub.
- Text or call Cathi Wilson at 515-333-2048 for info.

Thanks, legends!

Magpie Learning Co.

Hello! I'm Jubilee, a college student with a passion for the outdoors. I'm just finishing up my degree in elementary education, but in the mean time I'm putting my skills to good use by using my summer to offer nature education to Idaho's kids.

Here's how it works: I offer 2hr classes twice a week based on your child's age. We meet on site—at one of a few hand-picked natural locations here in the area. You can drop off your child and enjoy a few hours to yourself OR parents of younger children are welcome to stick around and join us in our learning!

The purpose of this program is to get kids **outside** and interacting with **nature**. To observe, to ask questions, and to gain an appreciation for the beauty of nature. Our activities will include nature journaling, foraging, animal identification, nature-based crafts, and much more!

Tadpoles: Ages 5-8, outdoor play, observation
Fireflies: Ages 9-12, beginner bushcraft, field studies
Caribou: Ages 13+, wilderness survival skills
The Rookery: All ages, group learning

Interested? Shoot me a text at (208) 606-1865 or fill out my interest survey linked below!
