MINISTRIES

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

HUB 365 EVENTS

Building community daily through service

There will be a variety of cooking classes and other events taking place at the HUB 365 throughout the year. While we advertise or announce these events, they are scheduled through the HUB365.

- No Cost Clinics (Dental cleanings/fillings, eye exams, medical screenings)
- No Cost Meal Programs
- Community Education classes (Financial, Parenting, Healthy Cooking, After-school tutoring)

Magpie Learning Co.

Hello! I'm Jubilee, a college student with a passion for the outdoors. I'm just finishing up my degree in elementary education, but in the mean time I'm putting my skills to good use by using my summer to offer nature education to Idaho's kids.

Here's how it works: I offer 2hr classes twice a week based on your child's age. We meet on site—at one of a few hand-picked natural locations here in the area. You can drop off your child and enjoy a few hours to yourself OR parents of younger children are welcome to stick around and join us in our learning!

The purpose of this program is to get kids **outside** and interacting with **nature**. To observe, to ask questions, and to gain an appreciation for the outdoors. Our activities will include nature journaling, foraging, animal identification, nature-based crafts, and much more!

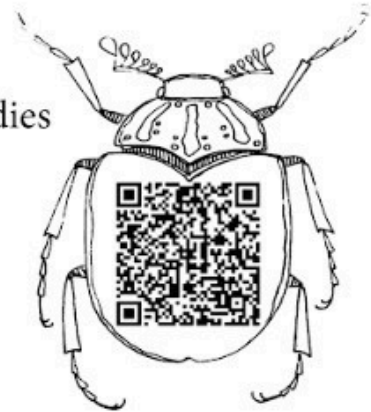

Tadpoles: Ages 5-8, outdoor play, observation

Fireflies: Ages 9-12, beginner bushcraft, field studies

Caribou: Ages 13+, wilderness survival skills

The Rookery: All ages, group learning
