passed away on June 7, 2025.

Funeral services will be held on July 26, at 4 pm at the Cloverdale SDA Church.

Please keep his family and friends in your prayers.

## **REMEMBERING THE ERNEST FAMILY:**

**Two ways you can help:**

**GoFundMe: Your support can make a real difference. By contributing to the GoFundMe campaign, you can help ease some of the burdens they now carry. Every dollar will go toward immediate expenses and provide a measure of stability for Jenny and her boys as they begin to rebuild their lives.**

**This family deserves our compassion and support during this unimaginable time. Your kindness, whether through donations or simply sharing their story, is invaluable. Thank you for considering helping them in their time of need.**

Mayanga and his family are eager to worship with us again! Because they have four little ones, they're unable to fit everyone in their car and are asking for help with transportation.

They are currently living in Caldwell. Would you be willing to bless this family with a ride?

If you can help, please contact Pastor Jason:

# MINISTRIES

## VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

**The Cloverdale church will cover all costs associated with the screenings.**

## **Magpie Learning Co.**

Hello! I'm Jubilee, a college student with a passion for the outdoors. I'm just finishing up my degree in elementary education, but in the mean time I'm putting my skills to good use by using my summer to offer nature education to Idaho's kids.

Here's how it works: I offer 2hr classes twice a week based on your child's age. We meet on site—at one of a few hand-picked natural locations here in the area. You can drop off your child and enjoy a few hours to yourself OR parents of younger children are welcome to stick around and join us in our learning!

The purpose of this program is to get kids **outside** and interacting with **nature**. To observe, to ask questions, and to gain an appreciation for the outdoors. Our activities will include nature journaling, foraging, animal identification, nature-based crafts, and much more!

**Tadpoles:** Ages 5-8, outdoor play, observation

**Fireflies:** Ages 9-12, beginner bushcraft, field studies

**Caribou:** Ages 13+, wilderness survival skills

**The Rookery:** All ages, group learning
