## VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

**The Cloverdale church will cover all costs associated with the screenings.**

**Thank you for keeping staff and students regularly in your prayers!**

Hello GSAA Family!

We are getting ready for another amazing school year here at GSAA. Lots of new students, staff, and classes! We can't wait to start rolling!

As we were getting ready for everyone to arrive, we noticed that our dormitory beds were in very sad shape. We desperately need to replace them. We are reaching out to our family to solicit your help. We need thirty new beds for our students. Whether you can do a whole bed or just a mattress, every donation will make a difference!

Also, we solicit your prayers as we begin this new year. Please pray that each student makes a connection with Jesus while they are here at GSAA. If you are able, join us on August 9 at 3:00 pm as we once again dedicate our campus to the Lord.

Thank you, GSAA family, for being our village!

John Soulé – Principal

**WE ARE HAVING A  
BED BLITZ!**

Our students at the GSAA Residence Hall are in desperate need of new beds!

We would love to see each student in the dorm with a new bed before school starts next week!

Would you be willing to help out and sponsor a bed, mattress, or both? 30 beds are needed!

Bed Frame - \$210    Mattress & Cover - \$250

It takes a village! We appreciate your support so much!

## **Magpie Learning Co.**

Hello! I'm Jubilee, a college student with a passion for the outdoors. I'm just finishing up my degree in elementary education, but in the mean time I'm putting my skills to good use by using my summer to offer nature education to Idaho's kids.

Here's how it works: I offer 2hr classes twice a week based on your child's age. We meet on site—at one of a few hand-picked natural locations here in the area. You can drop off your child and enjoy a few hours to yourself OR parents of younger children are welcome to stick around and join us in our learning!

The purpose of this program is to get kids **outside** and interacting with **nature**. To observe, to ask questions, and to gain an appreciation for the outdoors. Our activities will include nature journaling, foraging, animal identification, nature-based crafts, and much more!

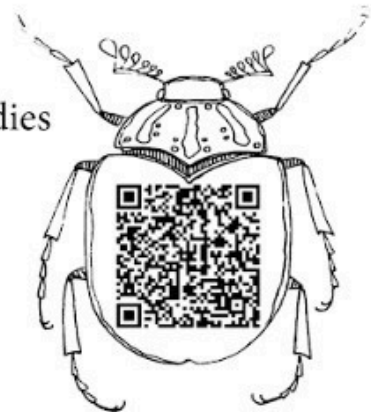

**Tadpoles:** Ages 5-8, outdoor play, observation

**Fireflies:** Ages 9-12, beginner bushcraft, field studies

**Caribou:** Ages 13+, wilderness survival skills

**The Rookery:** All ages, group learning
