## Idaho Conference Prayer Retreat

November 7-9, 2025

with Karen Pearson

My sheep recognize my voice,

and they follow me.  
Matthew 10:27 TLB

### Prayer Retreat will include these Sabbath afternoon breakout sessions:

**Becky Curtis**—*Seek God First: Praying scripture for your children*

**Beth Len Wai**—*Conversations with Our Best Friend*  
Prayer can be like a conversation between dear, old and close friends.

**Jonathan DeWeber**—*Walk and Talk with our Heavenly Father!*  
Enjoy a beautiful walk with others and experience God in nature, God's second Book!

**Kathy Beagles Coneff**—*Praying the Twelve Steps (actually Thirteen)*  
This session will correlate the 12 Steps of Alcoholics Anonymous with the 13 chapters of *Steps to Christ*, to guide prayer for those with addiction challenges.

# MINISTRIES

## VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

**The Cloverdale church will cover all costs associated with the screenings.**

**[Click here to complete screening process!](#)**

## Our Values & Mission

Love Heals Free Clinics is a nonprofit based in Garden City, Idaho, with a simple but powerful belief: everyone deserves access to the healthcare they need.

We provide free medical, dental, and vision services to underserved communities and are currently seeking volunteer dental professionals to help us deliver compassionate care.

Our clinics are made possible entirely through the generosity of volunteer providers who give their time and expertise to care for others. Without them, this work simply could not happen.

We believe healthcare should be accessible, equitable, and local—and that strong community partnerships make it possible. Join a respectful, supportive team and make a real impact on the lives of those we serve.
