MINISTRIES

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

PAUL'S LETTER TO THE

ROMANS

GSAA

Gem State Adventist Academy

Engaging in service . . . Training for Leadership . . . Preparing for Eternity

We have so many things to be thankful for! God has brought us another amazing student body, and we are excited to share Jesus with them this year.

Another blessing is that our Bed Blitz has been 100% funded! Our residence hall students are thrilled to receive new beds. Thank you from the bottom of our hearts for making this happen. I can't tell you how much this strengthened our faith to put this out there and have it covered in four days. Thank you, GSAA family, for being our village!

And now we ask for your prayers as we move forward into this new year. We can't wait to see how God moves on our campus!

Our Values & Mission

Love Heals Free Clinics is a nonprofit based in Garden City, Idaho, with a simple but powerful belief: everyone deserves access to the healthcare they need.

We provide free medical, dental, and vision services to underserved communities and are currently seeking volunteer dental professionals to help us deliver compassionate care.

Our clinics are made possible entirely through the generosity of volunteer providers who give their time and expertise to care for others. Without them, this work simply could not happen.

We believe healthcare should be accessible, equitable, and local—and that strong community partnerships make it possible. Join a respectful, supportive team and make a real impact on the lives of those we serve.
