MINISTRIES

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

Calling All Singers

Hello Alumni!

Greetings from the Music Department! I'm Ronnie Anderson, and I am beginning my fourth year here at Gem State as the music teacher. I have met many of you throughout my four years here, and I would like to begin a tradition with you at Alumni Weekend. I know many of you used to sing in choir in high school or just simply love to sing, and I would like to invite you to join the Gem State Academy Choir for a special music during Church! I have attached the music below. The song I have chosen is called "No Time" arr. by Susan Brumfield.

I extend this invitation to anyone who would like to join and wants to sing some good music! I do ask that you listen to the song online, and follow along and learn your part to the best of your ability if you are a Soprano, Alto, Tenor or Bass. The song splits the SATB in a few sections, so if you are confused with what note to sing, just sing the top if you are soprano or alto, and the bottom note if you are a tenor or bass. I can clarify in our rehearsal too beforehand. I hope you are able to learn your part, and I'm hoping that our run-through on Sabbath morning will give you some more confidence on your part.

I am very excited and hoping that many of you will join us and I look forward to praising the Lord with you!

Feel free to email me with any questions you have! E-mail: randerson@gemstate.org.

God bless!
