God's Beautiful Garden

Cheri Gatton
Guest Speaker

Cheri Gatton is the pastor of the Parma SDA Church. She has enjoyed this adventure since 2021, after graduating with her Masters in Pastoral Ministry from Andrews University in 2020. In her earlier life, she spent 20 years as a commodity broker before finding Jesus with her husband in Ankeny, IA.

She says, "ministry has always been my calling. I was privileged to serve as the Women's Ministry leader for the Idaho Conference which gave me several opportunities to speak for Jesus."

Cheri loves talking about God's nature and encouraging people to find their passion. She says, "When you do 'your passion' for Jesus it is a win for you and for His kingdom! We will explore this topic more as we talk about **God's Beautiful Garden**, which includes you!"

MINISTRIES

VOLUNTEERS—REMINDER!!!

The Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers who work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly (if you are over a year late, you may not receive these notices). If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings.

**BOISE VALLEY
ADVENTIST SCHOOL**

Thank you Cloverdale!

Because of your generous support, BVAS continues to impact the lives of the students and families in our community.

WHAT OUR COMMUNITY IS SAYING

- A Christ-centered environment that helps students grow in their relationship with Jesus with teachers and staff who genuinely care about students and invest in their success.
- A safe and welcoming school community where students feel supported and build positive relationships with their peers, teachers, and families.
- "The teachers and staff are dedicated to students growing in their faith as well as academically."
- "The staff truly cares for students as a whole, not just educationally."
- "My teachers care about me."
- "My school helps me get closer to Jesus and grow in my faith."

Together, we are helping students reflect Christ's character, pursue academic excellence, and develop a lifelong relationship with Jesus.

CLASSIFIEDS

Hello Cloverdale Seventh Day Adventist Church,

Thank you so much for partnering with Stanton Healthcare. Our work is made possible because of the powerful partnerships we have with our local churches, schools, and businesses as we serve the Treasure Valley together.

I wanted to provide you with an update on your church's giving so far. As of today, your church has fundraised \$585.11 through cash, coins, and checks. Please keep in mind that this may not be the final total, as we continue to receive donations from various filled baby bottles that trickle into the clinic and online donations through the remainder of the year. Again, we're so thankful for the heart your church has for women, children, and families in need. Your partnership makes a lasting impact! If you have any questions or need additional information, feel free to reach out.

Best,
